

Claim Resolution Matrix 2010 - Mountain State

The matrix below contains all of the CPT-4 codes for which National Imaging Associates (NIA) authorizes on behalf of Mountain State members enrolled in Mountain State commercial health plans, including Super Blue Plus PPO, Super Blue Select Point of Service (POS), Steel, West Virginia Small Business Plan (WVSBP) and HHIC Freedom Blue Medicare Advantage Plan. The requirements will be waived for Mountain State's Traditional Indemnity product, Bluecard and the Federal Employee (FEP) program. This matrix is designed to assist in the resolution of claims adjudication and claims questions related to those services authorized by NIA. If an exam is billed under any one of the given codes for that grouping and a valid authorization number has been issued within the date of service validity period, the charge for any of the codes should be allowed.

If a family of CPT codes is not listed in this matrix, an exact match is required between the authorized CPT code and the billed CPT code. If the exact match does not occur, the charge should be adjudicated accordingly.

***Please Note: Services rendered in an Emergency Room, Observation Room, Surgery Center, Urgent Care or Hospital Inpatient settings are not managed by NIA.**
