

Resolution Matrix 2011 – Centene Buckeye Community Health Plan

The matrix below contains all of the CPT-4 codes for which National Imaging Associates (NIA) authorizes on behalf of Buckeye Community Health Plan. This matrix is designed to assist in the resolution of claims questions related to those services authorized by NIA. If an exam is authorized under any one of the given codes for that grouping, and a valid authorization number has been issued within the date of service validity period, any of the related codes may be billed.

If a family of CPT codes is not listed in this matrix, an exact match is required between the authorized CPT code and the billed CPT code. If the exact match does not occur, a claim denial may result.

***Please Note:** Services rendered in an Emergency Room, Observation Room, Surgery Center, Urgent Care or Hospital Inpatient settings are not managed by NIA.
