

Radiology Benefit Management Program Provider Education Webinars

WellPath Services, Inc. has selected National Imaging Associates, Inc. (NIA) to provide radiology network management services. NIA will provide utilization management services for outpatient MR, CT, PET, CCTA, Stress Echo, Nuclear Cardiology and Diagnostic Nuclear Medicine imaging procedures. NIA will manage the pre-certification process for non-emergent, advanced imaging services rendered to WellPath members. **This program excludes WellPath's self-funded membership.**

Effective August 1st, 2010 a pre-certification program will be implemented for select diagnostic imaging procedures.

Pre-certification will be required for the following outpatient radiology procedures:
