

Radiation Therapy Skin Cancer Checklist

Evolent (formerly National Imaging Associates, Inc.) has provided this checklist to help you in gathering the information needed to request a medical necessity review. Please complete this form and include any applicable clinical documentation (i.e., comparison plan, radiation therapy consultation, imaging results etc.) prior to submitting the case on <u>www.radmd.com</u>. As an alternative, you may also contact our Evolent Call Center.

Skin Cancer Checklist is used only for diagnosis of: Basal Cell, Squamous Cell, Melanoma, Merkel Cell, Cutaneous Lymphoma

Please note new case requests <u>may not</u> be started by fax.

Additional comments or details:			
Please be ready to submit any results of imaging (ultrasounds, x-rays, MRIs, PET Scans, CTs, DVH's) from the past 3 months and radiation therapy prescription plans in addition to the clinical treatment plan. This will assist in the review process. Failure to provide all relevant documentation may cause a delay.
