AvMed will expand its Radiation Oncology Solution program to include All Cancer conditions, as well as, management of select Non-Cancerous conditions for AvMed Commercial HMO and Medicare membership.

NIA Magellan will provide utilization management services for all cancer and select non-cancerous conditions, **effective August 1, 2015**. In accordance with this program, all radiation treatment plans will require prior-authorization based on medical necessity review.

AvMed and NIA Magellan welcome you to attend one of the following Provider Webinar sessions to learn more about NIA Magellan’s Radiation Oncology Solution program and what it means to you.

- Tuesday - August 4, 2015 at 8:00 a.m.
- Tuesday - August 4, 2015 at 12:00 p.m.
- Thursday - August 6, 2015 at 8:00 a.m.
- Thursday - August 6, 2015 at 12:00 p.m.

**Please RSVP at least 1 week prior to the education seminar you plan to attend by emailing NIAWebinar@magellanhealth.com.** Please include the following information in your RSVP request:

- RSVP Date
- Group Name
- TIN
- Address
- Phone
- # of Participants Attending

You will receive a confirmation email from NIA Magellan for the Webinar session you selected. Please see Access Instructions on page 2.

AvMed and NIA Magellan look forward to working with you to ensure that your AvMed members receive Radiation Therapy delivered in a quality, clinically appropriate fashion.
Access Instructions

You will need a computer with Internet access to view the education materials presented during the Webinar. Please attempt to sign in 15 minutes prior to the meeting start time.

To join the focus group session, please follow these instructions:

Step 1: Open a browser on your computer and go to: https://www.connectmeeting.att.com

Step 2: Fill in the following fields:
- Enter (8663901828) in the “Meeting Number” field.
- Enter (5692319) in the “Code” field.
- Enter your email address in the “Email Address” field.
- Enter your “First Name” and “Last Name” in the name field

Step 3: Click on Submit
- Choose Participant for the login Information
- Click on Join

Note: Select the type of AT&T Connect client software you want to use to connect to this event.

Step 4: Select Web-based: We recommend using the Web-base participant application since some firewalls may prevent the downloading of an application.

Or

To use the windows-based recommended application, the first time you use the AT&T Teleconference Service you will need to download the participant application.

Step 5: To join the teleconference, choose one of the following:

a) Click the “Call Me” option (to have AT&T call you)
Or
Pick up your phone and dial: (866-390-1828). When you are prompted enter the access code (5692319) to be entered into the audio connection.

All Health Plan approved training/education materials are posted on the NIA Magellan website, www.RadMD.com. For new users to access these web-based documents, a RadMD account ID and password must be created.

To get started, simply go to www.RadMD.com, click the New User button and submit a “RadMD Application for New Account.” Once the application has been processed and a password link delivered by NIA Magellan via e-mail, you will then be invited to create a new password. Links to the approved training/education documents are found on the My Practice page for those providers logged in as a Cancer Treatment Facility or Hospital and among the RadMD Menu Options for those logged in as Radiation Oncologist who prescribes Radiation Oncology procedures or Ordering Physician. If you are a Cancer Treatment Facility or Hospital that performs radiation oncology procedures, an administrator must accept responsibility for creating and managing all logins to RadMD. Your RadMD login information should not be shared.
