

Outpatient Imaging Program Provider Education Refresher Webinars

In an effort to continue promotion of quality improvement for services provided to Louisiana Healthcare Connections members, Louisiana Healthcare Connections utilizes National Imaging Associates, Inc. (NIA) to provide the management and prior authorization of non-emergent, advanced, outpatient imaging services.

Effective July 1, 2016, NIA will also provide management and prior authorization for Cardiac Imaging procedures.

Services managed and authorized by NIA include outpatient:

- CT/CTA
- CCTA
- MRI/MRA
- ***Myocardial Perfusion Imaging (MPI)- Effective 7/1/16**
- ***MUGA Scan - Effective 7/1/16**
- ***Echocardiography - Effective 7/1/16**
- ***Stress Echocardiography – Effective 7/1/16**

***The prior authorization program for these cardiac imaging procedures applies only to adult members 21 and older.**

All Louisiana Healthcare Connections approved training/education materials are posted on the NIA website, www.RadMD.com. For new users to access these web-based documents, a RadMD account ID and password must be created.

To get started, simply go to www.RadMD.com, click the New User button and submit a “RadMD Application for New Account.” Once the application has been processed and a password link delivered by NIA via e-mail, you will then be invited to create a new password. Links to the approved training/education documents are found on the My Practice page for those providers logged in as an Imaging Facility and among the RadMD Menu Options for those logged in as Ordering Physician. If you are an Imaging Facility or Hospital that performs imaging services, an administrator must accept responsibility for creating and managing all logins to RadMD. Your RadMD login information should not be shared.
