

# Providers invited to webinar for our updated Physical Medicine Program

Aetna and Coventry will soon partner with National Imaging Associates, Inc. (NIA) to authorize physical therapy, occupational therapy and chiropractic services. The program is for commercial fully insured and Medicare plans. It begins September 1, 2018.

## Services that require pre-approval

- Physical therapy services performed by *any* provider
- Occupational therapy services performed by *any* provider
- Chiropractic services performed by *any* provider

## Join an educational webinar

We welcome all providers who offer these physical medicine services. If you commonly bill PT, OT or chiropractic codes, you should attend an upcoming education webinar. It's your chance to learn more about NIA's Physical Medicine Program. We'll explain how to submit the required clinical information.

There will be webinars on these dates. Each session is an hour. You'll only need to attend one session.
