How does the ordering provider obtain a prior authorization from NIA for an outpatient advanced imaging service?	Providers will be able to request prior authorization via the Internet (www.RadMD.com) or by calling NIA at 1-866-500-7685.
What information is required in order to receive prior authorization?	<p>To expedite the process, please have the following information ready before logging on to the Website or calling the NIA Call Center (*denotes required information):</p> <ul style="list-style-type: none"> ▪ Name and office phone number of ordering physician* ▪ Member name and ID number* ▪ Requested examination* ▪ Name of provider office or facility where the service will be performed* ▪ Anticipated date of service (if known) ▪ Details justifying examination.* <ul style="list-style-type: none"> • Symptoms and their duration • Physical exam findings • Conservative treatment patient has already completed (e.g., physical therapy, chiropractic or osteopathic manipulation, hot pads, massage, ice packs, medications) • Preliminary procedures already completed (e.g., x-rays, CTs, lab work, ultrasound, scoped procedures, referrals to specialist, specialist evaluation) • Reason the study is being requested (e.g., further evaluation, rule out a disorder)
Can a provider request more than one procedure at a time for a member	Yes. NIA can handle multiple authorization requests per contact. Separate authorization numbers are issued by NIA for each study that is authorized.

(i.e., CT of abdomen and CT of thorax)?	
What kind of response time can ordering providers expect for prior authorization?	Generally, within 2 business days after receipt of request with full clinical documentation, a determination will be made. In certain cases, the review process can take longer if additional clinical information is required to make a determination.
What does the NIA authorization number look like?	The NIA authorization number consists of 8 or 9 alphanumeric characters. In some cases, the ordering provider may instead receive an NIA tracking number (not the same as an authorization number) if the provider's authorization request is not approved at the time of initial contact. Providers can use either number to track the status of their request online or through an Interactive Voice Response (IVR) telephone system.
If requesting authorization through RadMD and the request pends, what happens next?	You will receive a tracking number and NIA will contact you to complete the process.
Can RadMD be used to request an expedited authorization request?	No, those requests will need to be called into NIA's Call Center for processing. The number to call to obtain a prior authorization is 1-866-500-7685.
What happens if a patient is authorized for a CT of the abdomen, and the radiologist or rendering physician feels an additional study of the thorax is needed?	If the radiologist or rendering provider feels that, in addition to the study already authorized, an additional study is needed, please contact NIA immediately with the appropriate clinical information for an expedited review. The number to call to obtain a prior authorization is 1-866-500-7685.
Can the rendering facility obtain authorization in the event of an urgent test?	Yes, If an urgent clinical situation exists outside of a hospital emergency room, please contact NIA immediately with the appropriate clinical information for an expedited review. The number to call to obtain a prior authorization is 1-866-500-7685.

How long is the prior authorization number valid?	The authorization number will be valid for 30 calendar days from the date of request. When a procedure is authorized, NIA will use the date of the initial request as the starting point for the 30 day period in which the examination must be completed.
Will prior authorization be necessary for an outpatient, advanced imaging service if Arkansas Total Care is NOT the member's primary insurance?	No
If a provider obtains a prior authorization number does that guarantee payment?	An authorization number is not a guarantee of payment. Authorizations are based on medical necessity and are contingent upon eligibility and benefits. Benefits may be subject to limitations and/or qualifications and will be determined when the claim is received for processing.
Does NIA allow retro- authorizations?	It is important that rendering facility staff be educated on the prior authorization requirements. Beginning March 1, 2019, claims for CT/CTA, CCTA, MRI/MRA, PET Scan, Myocardial Perfusion Imaging, MUGA Scan, Echocardiography and Stress Echo that have <u>not</u> been properly authorized will <u>not</u> be reimbursed. The rendering facility <u>should not</u> schedule procedures without prior authorization.
Can a provider get an authorization prior to the March 1, 2019 implementation date?	No. An authorization should be obtained for all advanced imaging procedures for dates of service March 1, 2019 and beyond.
Can a provider verify an authorization number online?	Yes. Providers can check the status of a member authorization quickly and easily by going to the Website at www.RadMD.com .

MISCELLANEOUS

How is medical necessity defined?	<p>NIA defines medical necessity as services that:</p> <ul style="list-style-type: none">• Meets generally accepted standards of medical practice; be appropriate for the symptoms, consistent with diagnosis, and otherwise in accordance with sufficient evidence and professionally recognized standards;• Be appropriate to the illness or injury for which it is performed as to type of service and expected outcome;• Be appropriate to the intensity of service and level of setting;• Provide unique, essential, and appropriate information when used for diagnostic purposes;• Be the lowest cost alternative that effectively addresses and treats the medical problem; and rendered for the treatment or diagnosis of an injury or illness; and• Not furnished primarily for the convenience of the member, the attending physician, or other provider.
Where can a provider find NIA’s Guidelines for Clinical Use of Diagnostic Imaging Examinations?	<p>NIA’s Clinical Guidelines can be found on NIA’s website, www.RadMD.com under Online Tools/Clinical Guidelines. NIA’s guidelines for the use of imaging examinations have been developed from practice experience, literature reviews, specialty criteria sets and empirical data. To get started, simply go to www.RadMD.com, click the New User button and submit a “RadMD Application for New Account.” Once the application has been processed and password link delivered by NIA via e-mail, you will then be invited to create a new password. Links to the approved training/education documents are found on the My Practice page for those providers logged in as Ordering Physician. If you are an Imaging Facility or Hospital that performs imaging exams, an administrator must accept responsibility for creating and managing all logins to RadMD. Your RadMD login information should not be shared.</p>

<p>What will the Member ID card look like? Will the ID card have both NIA and Arkansas Total Care information on it? Or will there be two cards?</p>	<p>The Arkansas Total Care Member ID card will not contain any NIA identifying information on it. No additional card will be issued from NIA.</p>
<p>What is an OCR Fax Coversheet?</p>	<p>By utilizing Optical Character Recognition technology, NIA can automatically attach incoming clinical faxes to the appropriate case in our clinical system. We strongly recommend that ordering providers print an OCR fax coversheet from www.RadMD.com or contact NIA at 1-888-642-7649 to request an OCR fax coversheet if their authorization request is not approved on-line or during the initial phone call to NIA. NIA can fax this coversheet to the ordering provider during authorization intake or at any time during the review process. By prefacing clinical faxes to NIA with an OCR fax coversheet, the ordering provider can ensure a timely and efficient case review.</p>
