How is medical necessity defined?	<p>NIA defines medical necessity as services that:</p> <ul style="list-style-type: none"> • Meet generally accepted standards of medical practice; are appropriate for the symptoms, consistent with diagnosis and otherwise in accordance with sufficient evidence and professionally recognized standards; • Are appropriate to the illness or injury for which it is performed as to the type of service and expected outcome; • Are appropriate to the intensity of service and level of setting; • Provide unique, essential and appropriate information when used for diagnostic purposes; • Are the lowest cost alternative that effectively addresses and treats the medical problem and rendered for the treatment or diagnosis of an injury or illness; and • Are not furnished primarily for the convenience of the member, the attending physician or other provider.
Where can a provider find NIA's Guidelines for Clinical Use of Diagnostic Imaging Examinations?	<p>NIA's Clinical Guidelines can be found on NIA's website, www.RadMD.com under Online Tools/Clinical Guidelines. NIA's guidelines for the use of imaging examinations have been developed from practice experience, literature reviews, specialty criteria sets and empirical data.</p> <p>To get started, simply go to www.RadMD.com, click the New User button and submit a "RadMD Application for New Account." Once the application has been processed and password link delivered by</p>

	NIA via email, you will then be invited to create a new password. Links to the approved training/education documents are found on the My Practice page for those providers logged in as an Ordering Physician. If you are an Imaging Facility or Hospital that performs imaging exams, an administrator must accept responsibility for creating and managing all logins to RadMD. Your RadMD login information should not be shared.
What does the Member ID card look like? Does the ID card have both NIA and Ambetter from Sunshine Health information on it? Or are there two cards?	The Ambetter from Sunshine Health Member ID card does not contain any NIA identifying information on it. No additional card will be issued from NIA.
What is an OCR Fax Coversheet?	By utilizing Optical Character Recognition (OCR) technology, NIA can automatically attach incoming clinical faxes to the appropriate case in our clinical system. We strongly recommend that ordering providers print an OCR fax coversheet from www.RadMD.com or contact NIA at 1-800-424-4909 to request an OCR fax coversheet if their authorization request is not approved online or during the initial phone call to NIA. NIA can fax this coversheet to the ordering provider during authorization intake or at any time during the review process. By prefacing clinical faxes to NIA with an OCR fax coversheet, the ordering provider can ensure a timely and efficient case review.
