

# Non-Hodgkin's Lymphoma Radiation Therapy Treatment Plan Checklist

NIA has provided this checklist to assist you in gathering the clinical and treatment plan information needed to request a medical necessity review. The most efficient way to submit a review request is via [www.RadMD.com](http://www.RadMD.com) or call the NIA Call Center. Additional clinical information may be requested (i.e., radiation therapy consultation, comparison plan, clinical treatment plan notes, pathology report, recent imaging report, treatment prescription, prior treatment summary, etc.)
