

## Utilization Review Matrix 2022 – HMSA Interventional Pain Management: Outpatient

The matrix below contains all of the CPT 4 codes for which Magellan Healthcare<sup>1</sup> manages on behalf of HMSA.

Magellan Healthcare issues authorizations based on the primary CPT code and its allowable billed groupings. A procedure can be billed under any **one** of the given CPT codes for that allowable billed grouping as long as a valid authorization number has been issued within the date of service validity period.

**\*Please note: Services rendered in an Emergency Room, Observation Room, Surgery Center or Hospital Inpatient Setting are not managed by Magellan Healthcare.**
