¹Please see the specific QRG for each of the Medical Specialty Solutions Program Services.

Please refer to NIA's website to obtain the Harvard Pilgrim Health Care/NIA Billable CPT® Codes Claim Resolution/Utilization Review Matrix for the CPT-4 codes that NIA authorizes on behalf of Harvard Pilgrim Health Care.

NIA will manage the Medical Specialty Solutions Services through Harvard Pilgrim Health Care contractual relationships with providers.

Medical Specialty Solutions Services performed in the following settings do not require authorization through NIA:

- Inpatient (excluding elective spine surgery and sleep assessments)
- Observation
- Emergency room
- Urgent care facility

* Effective 1/20/2023, National Imaging Associates, Inc. is now a subsidiary of Evolent Health. Evolent Health and its affiliates and subsidiaries collectively referred to as "Evolent."

Urgent/Emergent Care

- If an urgent/emergent clinical situation exists outside of a hospital emergency room, please contact NIA immediately with the appropriate clinical information for an expedited review. NIA's website <https://www.RadMD.com> cannot be used for urgent/emergent clinical situations during normal business hours. For prior authorization of urgent/emergent care during normal business hours contact NIA at 1-800-642-7543.

Obtaining Authorizations

The ordering provider is responsible for obtaining prior authorizations for the Medical Specialty Solutions Services listed above.

It is the responsibility of the provider rendering this service to:

- Ensure that an authorization was obtained. Payment will be denied for procedures performed without a necessary authorization, and the member cannot be balance-billed for these procedures.
- Communicate to all personnel involved in outpatient scheduling that prior authorization is required for the above procedures under Harvard Pilgrim Health Care.
- If a provider office calls to schedule a member for a procedure requiring prior authorization, request the authorization number.
- If the referring provider has not obtained prior authorization when required, inform the provider of this requirement, and advise him/her to obtain an authorization.
- If a member calls to schedule an appointment for a procedure that requires authorization, and does not have the authorization number, the member should be directed back to the referring provider who ordered the procedure.

Prior Authorization Process

There are two ways to obtain authorizations -- either through NIA's website at <https://www.RadMD.com> (preferred method) or by calling NIA: Call center hours of operation are Monday through Friday, 8 AM to 8 PM ET.

Information Needed to Obtain Prior Authorization

To expedite the prior authorization process, please refer to the specific required documentation for each Medical Specialty Solutions Service.* Have the appropriate information ready before logging into NIA's website or calling NIA's call center. (*Information is required).

- Name and office phone number of ordering provider*

Website Access

- It is the responsibility of the **provider ordering the Medical Specialty Solutions Services** to access NIA’s website or call for prior authorization.
- **To get started**, go to <https://www.RadMD.com>, click the New User button and submit a RadMD Application for New Account by selecting “**Physician’s office that orders procedures.**” Your RadMD login information should not be shared.
- If a user already has access to RadMD to initiate authorizations, RadMD access will allow users to submit an authorization for any procedures/products managed by NIA.
- You can request prior authorization at <https://www.RadMD.com> by clicking the “**Request an exam or specialty procedure including cardiac**” link which is a part of your main menu options. RadMD is available 24/7, except when maintenance is performed every third Friday of the month from 12 AM – 3 AM ET. **Pended requests:** If you are requesting prior authorizations through the NIA website and your request pends, you will receive a tracking number. You will then be required to submit additional clinical information to complete the process.
- **Authorization status:** You can check on the status of prior authorizations quickly and easily by using the “View Request Status” link on RadMD’s main menu. In addition to the ability to view clinical documentation received by NIA, users can view links to case-specific communication to include requests for additional information and determination letters.
- The “Track an Authorization” feature allows users who did not submit the original request to view the status of an authorization, as well as upload clinical information. This option is also available as a part of your main menu options using the “Search by Tracking Number” feature. A tracking number is required with this feature.

Submitting Claims

Submit claims directly to Harvard Pilgrim Health Care. Please send your claims for services to the following address:

Harvard Pilgrim Health Care
PO Box 699183
Quincy, MA 02269-9183

Providers are encouraged to use EDI claims submission.
(See www.harvardpilgrim.org/providers for details).

Important Notes

- Authorizations are valid for 30 days from the date of the final determination.
- The NIA authorization number consists of alpha/numeric characters. In some cases, you may instead receive an NIA tracking number (not the same as an authorization number) if your authorization request is not approved at the time of initial contact. You can use either number to track the status of the request on the RadMD website or via our Interactive Voice Response telephone system.
- NIA's Clinical Guidelines can be found on NIA's website, <https://www.RadMD.com> under Online Tools/Clinical Guidelines. NIA's guidelines for Medical Specialty Solutions Services have been developed from practice experience, literature reviews, specialty criteria sets and empirical data.
- An authorization number is not a guarantee of payment. Whether the requested service is covered is subject to all of the terms and conditions of the member's benefit plan, including but not limited to, member eligibility, benefit coverage at the time of the services are provided and any pre-existing condition exclusions referenced in the member's benefit plan.
- For assistance, please contact RadMDSupport@evolent.com or call 1-800-327-0641.
- To educate your staff on NIA procedures and to assist you with any provider issues or concerns, contact your NIA Area Provider Relations Manager.
- The Harvard Pilgrim Health Care member ID card does not have NIA identifying information on it. Harvard Pilgrim Health Care redirects calls to NIA for Medical Specialty Solutions Services.
- Prior authorization and claims payment complaints/appeals: Follow the instructions on your denial letter or Explanation of Payment (EOP).
