<p>an outpatient IPM procedure?</p>	<p>to obtain prior authorization for IPM procedures. RadMD is available 24 hours a day, 7 days a week. For providers that are unable to submit authorizations using RadMD, our call center is available at 1-800-424-4920 for prior authorization, Monday-Friday, 8:00 a.m. to 8:00 p.m. (EST).</p>
<p>What information will NIA require in order to receive prior authorization?</p>	<p>To expedite the process, please have the following information available before logging on to the website or calling the NIA call center staff</p> <p>(*denotes required information):</p> <ul style="list-style-type: none"> • Name and office phone number of ordering physician* • Member name and ID number* • Requested procedure* • Name of provider office or facility where the service will be performed* • Anticipated date of service* • Details justifying the pain procedure*: <ul style="list-style-type: none"> ○ Date of onset of pain or exacerbation ○ Physician exam findings and member symptoms (including findings applicable to the requested services) ○ Clinical Diagnosis ○ Date and results of prior IPM procedures. ○ Diagnostic imaging results, <i>where available</i>. Conservative treatment modalities completed, duration, and results (e.g., physical therapy, chiropractic or osteopathic manipulation, hot pads, massage, ice packs and medication) <p>Please be prepared to upload to RadMD or fax the following information, if requested:</p> <ul style="list-style-type: none"> • Clinical notes outlining onset of pain, conservative care modalities, outcomes and physical exam findings • Date and results of prior IPM procedures • Effectiveness of prior procedures on reducing pain • Diagnostic Imaging results • Specialist reports/evaluation

<p>How do I send clinical information to NIA if it is required?</p>	<p>The most efficient way to send required clinical information is to upload your documents to RadMD (preferred method). The upload feature allows clinical information to be uploaded directly after completing an authorization request. Utilizing the upload feature expedites your request since it is automatically attached and forwarded to our clinicians for review.</p> <p>If uploading is not an option for your practice, you may fax utilizing the NIA specific fax coversheet. To ensure prompt receipt of your information:</p> <ul style="list-style-type: none"> • Use the NIA fax coversheet as the first page of your clinical fax submission. *Please do not use your own fax coversheet, since it will not contain the case specific information needed to process the case • Make sure the tracking number on the fax coversheet matches the tracking number for your request • Send each case separate with its own fax coversheet • IPM Providers may print the fax coversheet from www.RadMD.com. • NIA will fax this coversheet to the IPM Provider during authorization intake or at any time during the review process. <p><i>*Using an incorrect fax coversheet may delay a response to an authorization request.</i></p>
<p>Can a provider request more than one procedure at a time for a member (i.e., a series of epidural injections)?</p>	<p>No. NIA requires prior authorization for each IPM procedure requested and will only authorize one procedure at a time.</p>
<p>What kind of response time can order providers expect for prior authorization?</p>	<p>The best way to maximize the turnaround time of an authorization request is to initiate the request through www.RadMD.com. Generally, within 2 business days after receipt of request with full clinical documentation, a determination will be made. In certain cases, the review process can take longer if additional clinical information is required to make a determination.</p>
<p>What will the NIA authorization number look like?</p>	<p>The NIA authorization number consists of alpha-numeric characters. In some cases, the ordering provider may instead receive an NIA tracking number (not the same as an authorization number) if the</p>

	<p>provider’s authorization request is not approved at the time of initial contact. Providers will be able to use either number to track the status of their request online or through an Interactive Voice Response (IVR) telephone system.</p>
<p>If requesting an authorization through RadMD and the request pends, what happens next?</p>	<p>You will receive a tracking number and will need to submit clinical documentation that supports the requested IPM procedure.</p>
<p>Can RadMD be used to submit an expedited authorization request?</p>	<p>RadMD can only be used to initiate expedited authorization requests after normal business hours. Requests that are submitted during normal business hours must be called into NIA’s call center through the toll-free number at 1-800-424-4920 for processing.</p>
<p>How long is the prior authorization number valid?</p>	<p>The authorization validity period for all IPM procedures is 60 days from the date of request.</p>
<p>Is prior authorization necessary for IPM procedures if Ambetter from Absolute Total Care is NOT the member’s primary insurance?</p>	<p>Yes. Authorization is required if Ambetter from Absolute Total Care is secondary to another plan.</p>
<p>If a provider obtains a prior authorization number does that guarantee payment?</p>	<p>An authorization number is not a guarantee of payment. Authorizations are based on medical necessity and are contingent upon eligibility and benefits. Benefits may be subject to limitations and/or qualifications and will be determined when the claim is received for processing.</p>
<p>Does NIA allow retro-authorizations?</p>	<p>Yes. Retrospective review of completed procedures are evaluated for medical necessity and to determine whether there was an urgent or emergent situation that prohibited the provider from obtaining prior authorization for the service and to determine whether medical necessity guidelines were met. It is important that key physicians and office staff be educated on the prior authorization requirements. Claims for IPM procedures, as outlined above, that have <u>not</u> been properly authorized will <u>not</u> be reimbursed. Physicians administering these procedures <u>should not</u> schedule or perform procedures without prior authorization. procedures <u>should not</u> schedule or perform procedures without prior authorization.</p>

What happens if I have a service scheduled for February 1, 2024?	An authorization can be obtained for all IPM procedures for dates of service February 1, 2024, and beyond, beginning February 1, 2024. NIA and Ambetter from Absolute Total Care will be working with the provider community on an ongoing basis to continue to educate providers that authorizations are required.
