

**Western Sky Community Care
Utilization Review Matrix 2024
Outpatient Interventional Pain Management (IPM)**

The matrix below contains all of the CPT 4 codes for which Evolent (formerly National Imaging Associates, Inc.) authorizes on behalf of Western Sky Community Care.

Evolent issues authorizations based on the primary CPT code and its allowable billed groupings. A procedure can be billed under any **one** of the given CPT codes for that allowable billed grouping as long as a valid authorization number has been issued within the validity period.

***Please note: IPM services rendered in an Emergency Room, Observation Room, Intraoperatively, or as a Hospital Inpatient are not managed by Evolent.**
