

Wellcare Medicare Connecticut Utilization Review Matrix 2025 Outpatient Interventional Pain Management (IPM)

The matrix below contains all of the CPT-4 codes for which Evolent (formerly National Imaging Associates, Inc.) authorizes on behalf of Wellcare Medicare Connecticut.

Evolent issues authorizations based on the primary CPT code and its allowable billed groupings. A procedure can be billed under any **one** of the given CPT codes for that allowable billed grouping as long as a valid authorization number has been issued within the validity period.

***Please note: IPM services rendered in an Emergency Room, Observation, Intraoperatively, or as a Hospital Inpatient are not managed by Evolent.**
