<b>Can a provider request more than one service at a time for a member?</b>	Evolut can handle multiple authorization requests per contact. Separate authorization numbers are issued by Evolut for each service that is authorized.
<b>What kind of response time can the ordering providers expect for prior authorizations?</b>	Generally, within 2 business days after receipt of request with full clinical documentation, a determination will be made. In certain cases, the review process can take longer if additional clinical information is required to make a determination.
<b>What does the Evolut authorization number look like?</b>	The Evolut authorization number consists of alpha-numeric characters. In some cases, the ordering provider may receive an Evolut tracking number (not the same as an authorization number) if the provider's authorization request is not approved at the time of initial contact. Providers can use either number to track the status of their request online or through an Interactive Voice Response (IVR) telephone system.
<b>If requesting authorization through RadMD and the request pends, what happens next?</b>	You will receive a tracking number and Evolut will contact you to complete the process.
<b>Can RadMD be used to request an expedited authorization request?</b>	RadMD may only be used for expedited requests that occur after normal business hours. Those expedited requests that occur during normal business hours must be called into Evolut's call center for review and processing.
<b>What happens if a member is authorized for a service and the provider feels an additional study is needed?</b>	If the provider feels that, in addition to the service already authorized, an additional service is needed, please contact Evolut immediately with the appropriate clinical information for an expedited review.
<b>Can the rendering facility obtain authorization in the event of an urgent service?</b>	Yes. If they initiate the process, Evolut will follow-up with the ordering provider to complete the process.

<b>How long is the prior authorization number valid?</b>	The authorization number is valid for 30 days from the date of request. When a procedure is authorized, Evolent uses the date of the initial request as the starting point for the 30-day period in which the examination must be completed.
<b>Is prior authorization necessary for a Medical Specialty Solutions outpatient service if AmeriHealth Caritas North Carolina is NOT the member's primary insurance?</b>	No
<b>If a provider obtains a prior authorization number does that guarantee payment?</b>	An authorization number is not a guarantee of payment. Authorizations are based on medical necessity and are contingent upon eligibility and benefits. Benefits may be subject to limitations and/or qualifications and will be determined when the claim is received for processing.
<b>Does Evolent allow retro-authorizations?</b>	Yes. However, it is important that the rendering facility staff be educated on the prior authorization requirements. Claims will not be reimbursed if they have <u>not</u> been properly authorized. The rendering facility <b>should not</b> schedule services without prior authorization.
<b>What happens if I have a service scheduled for July 1, 2021?</b>	An authorization can be obtained for all Medical Specialty Solutions for dates of service July 1, 2021, and beyond, beginning June 23, 2021. Evolent and AmeriHealth Caritas North Carolina will be working with the provider community on an ongoing basis to continue to educate providers that authorizations are required.
<b>Can a provider verify an authorization number online?</b>	Yes. Providers can check the status of member authorizations quickly and easily by going to the Evolent website at <a href="https://www.radmd.com">RadMD.com</a> .
<b>Will the Evolent authorization number be displayed on the AmeriHealth Caritas North Carolina website?</b>	No.

<b>SCHEDULING SERVICES</b>	
<b>How does Evolent determine where to schedule Medical Specialty Solutions Services for AmeriHealth Caritas North Carolina members?</b>	Evolent manages Medical Specialty Solutions services through AmeriHealth Caritas North Carolina contractual relationships.
<b>Why does Evolent ask for a date of service when authorizing a procedure? Do providers have to obtain an authorization before the services are rendered?</b>	During the authorization process, Evolent asks where the procedure is being performed and the anticipated date of service. The exact date of service is not required. Providers should obtain authorization before scheduling the member.
<b>WHICH MEDICAL PROVIDERS ARE AFFECTED?</b>	
<b>Which medical providers are affected by the Medical Specialty Solutions program?</b>	<p>Any provider who orders Medical Specialty Solution Services in an outpatient setting. Ordering providers will need to request a prior authorization, and the delivering/servicing providers will need to ensure there is an authorization number to bill the service.</p> <ul style="list-style-type: none"> <li>• Ordering providers, including Primary Care Providers (PCPs) and Specialty Care providers.</li> <li>• Delivering/Servicing providers who perform Medical Specialty Solutions Services at: <ul style="list-style-type: none"> <li>▪ Freestanding diagnostic facilities</li> <li>▪ Hospital outpatient diagnostic facilities</li> <li>▪ Provider offices</li> </ul> </li> </ul>
<b>CLAIMS RELATED</b>	
<b>Where do providers send their claims for Medical Specialty Solutions outpatient services?</b>	Providers should continue to send claims to the address indicated on the back of the AmeriHealth Caritas North Carolina member ID card. Providers are also encouraged to follow their normal EDI claims process.
<b>How can providers check claims status?</b>	Providers should check claims status on the AmeriHealth Caritas North Carolina claim website at: <a href="http://amerihealthcaritasnc.com/provider/claims-billing">amerihealthcaritasnc.com/provider/claims-billing</a>

<p><b>Who should a provider contact if they want to appeal a prior authorization or claims payment denial?</b></p>	<p>In the event of a prior authorization or claims payment denial, providers may appeal the decision through AmeriHealth Caritas North Carolina. Providers should follow the instructions on their non-authorization letter or Explanation of Payment (EOP) notification.</p>
<p><b>MISCELLANEOUS</b></p>	
<p><b>How is medical necessity defined?</b></p>	<p>Evolent defines medical necessity as a service that:</p> <ul style="list-style-type: none"> <li>• Meets generally accepted standards of medical practice; is appropriate for the symptoms, consistent with diagnosis, and otherwise in accordance with sufficient evidence and professionally recognized standards;</li> <li>• Is appropriate to the illness or injury for which it is performed as to type of service and expected outcome;</li> <li>• Is appropriate to the intensity of service and level of setting;</li> <li>• Provides unique, essential, and appropriate information when used for diagnostic purposes;</li> <li>• Is the lowest cost alternative that effectively addresses and treats the medical problem; and rendered for the treatment or diagnosis of an injury or illness; and</li> <li>• Is not furnished primarily for the convenience of the member, the attending provider, or other provider.</li> </ul>
<p><b>Where can a provider find Evolent's Guidelines for Medical Specialty Solutions Services?</b></p>	<p>Evolent's Clinical Guidelines can be found on Evolent's website, <a href="http://RadMD.com">RadMD.com</a> under Online Tools/Clinical Guidelines. Evolent's guidelines for Medical Specialty Solutions Services have been developed from practice experience, literature reviews, specialty criteria sets and empirical data.</p>
<p><b>Will the AmeriHealth Caritas North Carolina member ID card change with the implementation of this Medical Specialty Solutions Program?</b></p>	<p>No. The AmeriHealth Caritas North Carolina member ID card will not contain any Evolent information on it and the member ID card will not change with the implementation of this Medical Specialty Solutions Program.</p>

<p><b>What is an OCR Fax Coversheet?</b></p>	<p>By utilizing Optical Character Recognition (OCR) technology, Evolent can automatically attach incoming clinical faxes to the appropriate case in our clinical system. We strongly recommend that ordering providers print an OCR fax coversheet from <a href="http://RadMD.com">RadMD.com</a> or contact Evolent to obtain one. Evolent can fax this coversheet to the ordering provider during authorization intake or at any time during the review process. By prefacing clinical faxes to Evolent with an OCR fax coversheet, the ordering provider can ensure a timely and efficient case review.</p>
<p><b>RE-REVIEW AND APPEALS PROCESS</b></p>	
<p><b>Is the Re-review process available for the outpatient Medical Specialty Solutions services once a denial is received?</b></p>	<p>Once a denial determination has been made, if the office has new or additional information to provide, a re-review can be initiated by uploading via RadMD or faxing (using the case specific fax cover sheet) additional clinical information to support the request. A re-review must be initiated within 14 calendar days from the date of denial and prior to submitting a formal appeal.</p> <p>Evolent has a specialized clinical team focused on Medical Specialty Solutions services. Peer-to-peer discussions are offered for any request that does not meet medical necessity guidelines. Providers can call the phone numbers(s) above to initiate the peer-to-peer process. These discussions provide an opportunity to discuss the case and collaborate on the appropriate services for the member based on the clinical information provided.</p>
<p><b>Who should a provider contact if they want to appeal a prior authorization decision?</b></p>	<p>Providers are asked to please follow the appeal instructions given on their non-authorization letter or Explanation of Benefits (EOB) notification.</p>
<p><b>RADMD ACCESS</b></p>	
<p><b>What option should I select to receive access to initiate authorizations?</b></p>	<p>Selecting <b>“Physician’s office that orders procedures”</b> will allow you access to initiate authorization requests for outpatient exams and/or specialty procedures.</p>
<p><b>How do I apply for RadMD access to initiate authorization requests?</b></p>	<p>Prospective users should go to our website <a href="http://RadMD.com">RadMD.com</a>.</p> <ul style="list-style-type: none"> <li>• Click on New User</li> <li>• Choose <b>“Physician’s office that orders procedures”</b> from the drop-down box.</li> <li>• Complete application with necessary information</li> <li>• Click Submit</li> </ul>
