

Radiation Therapy Non-Small Cell Lung Cancer Checklist

Evolent has provided this checklist to help you in gathering the information needed to request a medical necessity review. Please complete this form and include any applicable clinical documentation (i.e., comparison plan, radiation therapy consultation, imaging results etc.) prior to submitting the case on RadMD.com. As an alternative, you may also contact our Evolent Call Center.

Please note new case requests may not be started by fax.

General Information

Patient Name:

Date of Birth:

Health Plan and Member ID:

Treatment Planning Start Date (i.e., Initial Simulation):

Treatment Start Date:

Clinical Information

ICD-10 Code(s):				
What is the treatment site?				
Each treatment site requires a separate authorization.				
What is Treatment Intent?				
Curative/ Palliative				
What is the treatment prescription dose for the course of treatment?				
What is the radiation therapy treatment start date? Does the member have distant metastases (stage VI or M1) (i.e., disease spread to bone, liver, lung,				
brain)?	ve distant metastases (sta	age vi or wit) (i.e., disease	e spread to bone, liver, lung,	
Will all radiation treat	ment be done at the same	e facility? YES □ NO □		
History of prior radiation therapy? YES D NO D If yes, provide details of prior site & total dose along				
with completion date:

	Additional comments or details:		
	Please be ready to submit any results of imaging (ultrasounds, x-rays, MRIs, PET Scans, CTs, DVH's) from the past 3 months and radiation therapy prescription plans in addition to the clinical treatment plan. This will assist in the review process. Failure to provide all relevant documentation may cause a delay.
