

Evolent Frequently Asked Questions (FAQ's) For AmeriHealth Caritas New Hampshire Providers

Providers	
Question	Answer
GENERAL	
Why is AmeriHealth Caritas New Hampshire implementing an outpatient imaging program?	To improve quality and manage the utilization of non- emergent CT/CTA, CCTA, MRI/MRA, PET Scan, Myocardial Perfusion Imaging, and MUGA Scan procedures for our members.
Why did AmeriHealth Caritas New Hampshire select Evolent to manage its outpatient advanced imaging services?	Evolent (formerly National Imaging Associates, Inc.) was selected to partner with us because of its clinically driven program designed to effectively manage quality and patient safety, while ensuring appropriate utilization of resources for AmeriHealth Caritas New Hampshire membership.
Which AmeriHealth Caritas New Hampshire members will be covered under this relationship and what networks will be used?	Effective September 1, 2019, Evolent will manage non- emergent outpatient imaging procedures for AmeriHealth Caritas New Hampshire membership through AmeriHealth Caritas New Hampshire's contractual relationships. This will include AmeriHealth Caritas New Hampshire Medicaid members.
PRIOR AUTHORIZATION	DN .
What is the implementation date for this outpatient imaging program?	Implementation will be September 1, 2019.
What imaging services require providers to obtain a prior authorization?	The following imaging procedures require prior authorization through Evolent: CT/CTA CCTA MRI/MRA PET Scan

	Myocardial Perfusion ImagingMUGA Scan
	Emergency room, observation and inpatient imaging procedures do not require prior authorization from Evolent. If an urgent/emergent emergency clinical situation exists outside of a hospital emergency room, please contact Evolent immediately with the appropriate clinical information for an expedited review.
When is prior authorization required?	Prior authorization is required for outpatient, non-emergent CT/CTA, CCTA, MRI/MRA, PET Scan, Myocardial Perfusion Imaging, and MUGA Scan procedures. Ordering providers must obtain prior authorization of these procedures prior to the service being performed at an imaging facility.
Is prior authorization necessary for sedation with an MRI?	No, prior authorization is not required for sedation when performed with an MRI.
Is an Evolent authorization number needed for a CT-guided biopsy?	No, prior authorization is not required for this procedure.
Can a chiropractor order images?	Yes.
Are routine radiology services a part of this program?	No. Routine radiology services such as x-ray, ultrasound or mammography are not part of this program and do not require a prior authorization through Evolent.
Are inpatient advanced imaging procedures included in this program?	No. Inpatient procedures are included in the authorization for the inpatient stay that is managed through the AmeriHealth Caritas New Hampshire Medical Management Department.
Is prior authorization required for imaging studies performed in the emergency room?	No. Imaging studies performed in the emergency room are not included in this program and do not require prior authorization through Evolent.
How does the ordering provider obtain a prior authorization from Evolent for an outpatient advanced imaging service?	Providers will be able to request prior authorization via the Internet (RadMD.com) or by calling Evolent at 1-800-424-4784.

What information is required in order to receive prior authorization?	To expedite the process, please have the following information ready before logging on to the Website or calling the Evolent Call Center (*denotes required information): Name and office phone number of ordering physician* Member name and ID number* Requested examination* Name of provider office or facility where the service will be performed* Anticipated date of service (if known) Details justifying examination* Symptoms and their duration Physical exam findings Conservative treatment patient has already completed (e.g., physical therapy, chiropractic or osteopathic manipulation, hot pads, massage, ice packs, medications) Preliminary procedures already completed (e.g., x-rays, CTs, lab work, ultrasound, scoped procedures, referrals to specialist, specialist evaluation) Reason the study is being requested (e.g., further evaluation, rule out a disorder)
Can a provider request more than one procedure at a time for a member (i.e., CT of abdomen and CT of thorax)?	Yes. Evolent can handle multiple authorization requests per contact. Separate authorization numbers are issued by Evolent for each study that is authorized.
What kind of response time can ordering providers expect for prior authorization?	Generally, within 2 business days after receipt of request with full clinical documentation, a determination will be made. In certain cases, the review process can take longer if additional clinical information is required to make a determination.
What does the Evolent authorization number look like?	The Evolent authorization number consists of 8 or 9 alpha numeric characters. In some cases, the ordering provider may instead receive an Evolent tracking number (not the same as an authorization number) if the provider's authorization request is not approved at the time of initial contact. Providers can use either number to track the status of their request online or through an Interactive Voice Response (IVR) telephone system.

	T
If requesting authorization through RadMD and the request pends, what happens next?	You will receive a tracking number and Evolent will contact you to complete the process.
Can RadMD be used to request an expedited authorization request?	No, those requests will need to be called into Evolent's Call Center for processing. The number to call to obtain a prior authorization is 1-800-424-4784.
What happens if a patient is authorized for a CT of the abdomen, and the radiologist or rendering physician feels an additional study of the thorax is needed?	If the radiologist or rendering provider feels that, in addition to the study already authorized, an additional study is needed, please contact Evolent immediately with the appropriate clinical information for an expedited review. The number to call to obtain a prior authorization is 1-800-424-4784.
Can the rendering facility obtain authorization in the event of an urgent test?	Yes, If an urgent clinical situation exists outside of a hospital emergency room, please contact Evolent immediately with the appropriate clinical information for an expedited review. The number to call to obtain a prior authorization is 1-800-424-4784.
How long is the prior authorization number valid?	The authorization number is valid for 30 days from the date of request. When a procedure is authorized, Evolent will use the date of the initial request as the starting point for the 30-day period in which the examination must be completed.
Is prior authorization necessary for an outpatient, advanced imaging service if AmeriHealth Caritas New Hampshire is NOT the member's primary insurance?	Yes.
If a provider obtains a prior authorization number does that guarantee payment?	An authorization number is not a guarantee of payment. Authorizations are based on medical necessity and are contingent upon eligibility and benefits. Benefits may be subject to limitations and/or qualifications and will be determined when the claim is received for processing.

Does Evolent allow retro-authorizations? Can a provider get	Yes, however it is important that rendering facility staff be educated on the prior authorization requirements. Beginning September 1, 2019, claims for CT/CTA, CCTA, MRI/MRA, PET Scan, Myocardial Perfusion Imaging, and MUGA Scan procedures that have <u>not</u> been properly authorized will <u>not</u> be reimbursed. The rendering facility <u>should not</u> schedule procedures without prior authorization. Yes. The Evolent call center will be available beginning

CLAIMS RELATED	
Where do providers send their claims for outpatient, non-emergent advanced imaging services?	Providers should send claims to the address indicated on the back of the AmeriHealth Caritas New Hampshire member ID card. Providers are also encouraged to follow their normal EDI claims process.
How can providers check claims status?	Providers should check claims status at the AmeriHealth Caritas New Hampshire Website at amerihealthcaritasnh.com/provider
Who should a provider contact if they want to appeal a prior authorization or claims payment denial?	Providers are asked to please follow the appeal instructions given on their non-authorization letter or Explanation of Payment (EOP) notification.
MISCELLANEOUS	
How is medical necessity defined?	 Meets generally accepted standards of medical practice; be appropriate for the symptoms, consistent with diagnosis, and otherwise in accordance with sufficient evidence and professionally recognized standards; Be appropriate to the illness or injury for which it is performed as to type of service and expected outcome; Be appropriate to the intensity of service and level of setting; Provide unique, essential, and appropriate information when used for diagnostic purposes; Be the lowest cost alternative that effectively addresses and treats the medical problem; and rendered for the treatment or diagnosis of an injury or illness; and

	 Not furnished primarily for the convenience of the member, the attending physician, or other provider.
Where can a provider find Evolent's Guidelines for Clinical Use of Diagnostic Imaging Examinations?	Evolent's Clinical Guidelines can be found on Evolent's website, RadMD.com under Online Tools/Clinical Guidelines. Evolent's guidelines for the use of imaging examinations have been developed from practice experience, literature reviews, specialty criteria sets and empirical data.
	To get started, simply go to RadMD.com , click the New User button and submit a "RadMD Application for New Account." Once the application has been processed and password link delivered by Evolent via e-mail, you will then be invited to create a new password. Links to the approved training/education documents are found on the My Practice page for those providers logged in as Ordering Physician. If you are an Imaging Facility or Hospital that performs imaging exams, an administrator must accept responsibility for creating and managing all logins to RadMD. Your RadMD login information should not be shared.
What will the Member ID card look like? Will the ID card have both Evolent and AmeriHealth Caritas New Hampshire information on it? Or will there be two cards?	The AmeriHealth Caritas New Hampshire Member ID card will not contain any Evolent identifying information on it. No additional card will be issued from Evolent.
What is an OCR Fax Coversheet?	By utilizing Optical Character Recognition technology, Evolent can automatically attach incoming clinical faxes to the appropriate case in our clinical system. We strongly recommend that ordering providers print an OCR fax coversheet from RadMD.com or contact Evolent at 1-800-424-4784 to request an OCR fax coversheet if their authorization request is not approved on-line or during the initial phone call to Evolent. Evolent can fax this coversheet to the ordering provider during authorization intake or at any time during the review process. By prefacing clinical faxes to Evolent with an OCR fax coversheet, the ordering provider can ensure a timely and efficient case review.
