

Evolent's Peer-to-Peer Process

What to expect when calling in for a peer-to-peer discussion:

 - AmeriHealth Caritas Pennsylvania: 1-800-424-5657
 - AmeriHealth Caritas Pennsylvania Community HealthChoices: 1-877-907-2363
- A peer-to-peer discussion may not be necessary if the requested clinical documentation is sent prior to contacting Evolent (formerly National Imaging Associates, Inc.).

- This information will need to be provided before the call is transferred to an appropriate clinical reviewer that is specific to the case and modality.
- The case will then be discussed, including any additional information that may be necessary for the case to meet medical necessity. *
- Verbal clarification of clinical information from the medical records that were submitted may be discussed during the peer-to-peer. Examples include clarification of conflicting information in the notes or typographical errors.
- Any new information necessary to approve the request must be submitted in writing by uploading to [RadMD.com](https://www.radmd.com) or faxing to 1-800-784-6864 before a new determination can be made. *
- If the case cannot be approved following the peer-to-peer or with additional information; the ordering/rendering provider is asked to follow the appeal instructions provided within the denial notification.
