

## **Provider Training Schedule Interventional Cardiology, Medical Oncology and Radiation Oncology Programs**

### **Absolute Total Care (Medicaid) Ambetter from Absolute Total Care (Marketplace)**

**Effective September 1, 2025**, select interventional cardiology, medical oncology and radiation oncology services will require prior authorization through Evolent prior to being rendered in an outpatient or inpatient\* setting (\*elective professional services for interventional cardiology).

Absolute Total Care and Evolent encourage providers to attend one of the following training sessions to learn more about these programs and the resources available.
