Can a provider request more than one service at a time for a member?	Evolut can handle multiple authorization requests per contact. Separate authorization numbers are issued by Evolut for each service that is authorized.
What kind of response time can ordering providers expect for prior authorization?	Generally, within 2 business days after receipt of request with full clinical documentation, a determination will be made. In certain cases, the review process can take longer if additional clinical information is required to decide.
What does the Evolut authorization number look like?	The Evolut authorization number consists of alpha- numeric characters. In some cases, the ordering provider may receive an Evolut tracking number (not the same as an authorization number) if the provider's authorization request is not approved at the time of initial contact. Providers can use either number to track the status of their request online or through an Interactive Voice Response (IVR) telephone system.
If requesting authorization through RadMD and the request pends, what happens next?	You will receive a tracking number and Evolut will contact you to complete the process.
Can RadMD be used to request an expedited authorization request?	RadMD may only be used for expedited requests that occur after normal business hours. Those expedited requests that occur during normal business hours must be called into Evolut's call center for review and processing.
What happens if a member is authorized for a service and the provider feels an additional study is needed?	If the provider feels that, in addition to the service already authorized, an additional service is needed, please contact Evolut immediately with the appropriate clinical information for an expedited review. The number to call to obtain prior authorization is 1-866-769-3085.
Can the rendering facility obtain authorization in the event of an urgent service?	Yes. If they initiate the process, Evolut will follow-up with the ordering provider to complete the process.

How long is the prior authorization number valid?	The authorization number is valid for 60 business days from the date of approved prior authorization request.
Is prior authorization necessary for a Medical Specialty Solutions outpatient service if Ambetter from NH Healthy Families is NOT the member's primary insurance?	No.
If a provider obtains a prior authorization number does that guarantee payment?	An authorization number is not a guarantee of payment. Authorizations are based on medical necessity and are contingent upon eligibility and benefits. Benefits may be subject to limitations and/or qualifications and will be determined when the claim is received for processing.
Does Evolent allow retro-authorizations?	Yes. However, it is important that the rendering facility staff be educated on the prior authorization requirements. Claims will not be reimbursed if they have <u>not</u> been properly authorized. The rendering facility <u>should not</u> schedule services without prior authorization.
Can a provider verify an authorization number online?	Yes. Providers can check the status of member authorizations quickly and easily by going to the Evolent web site at RadMD.com .
