

**Ambetter of Tennessee  
Utilization Review Matrix 2024  
Outpatient Interventional Pain Management (IPM)**

The matrix below contains all of the CPT 4 codes for which Evolent (formerly National Imaging Associates Inc.) authorizes on behalf of Ambetter of Tennessee.

Evolent issues authorizations based on the primary CPT code and its allowable billed groupings. A procedure can be billed under any **one** of the given CPT codes for that allowable billed grouping as long as a valid authorization number has been issued within the validity period.

**\*Please note: IPM services rendered in an Emergency Room, Observation, Intraoperatively, or as a Hospital Inpatient are not managed by Evolent.**
